MENORQUÍN 42 FB · 679,800 € (Plus taxes)

Tradition, liveability and distinction in an offshore cruiser

This Menorquín 42 Flybridge, equipped with twin Volvo Penta D4-320 engines (320 HP each), represents the essence of the Balearic llaut evolved into a luxury yacht. It combines exceptionally comfortable semi-planing navigation with handcrafted teak interiors that define the quality hallmark of Sasga Yachts.

With its impressive flybridge, offering a second helm station and a panoramic sundeck, this unit maximises outdoor space without compromising the elegance of its classic profile. Its interior layout is designed for long-distance life on board, with a bright galley, a spacious owner's cabin and a versatile guest cabin, all finished with noble materials and exquisite taste.

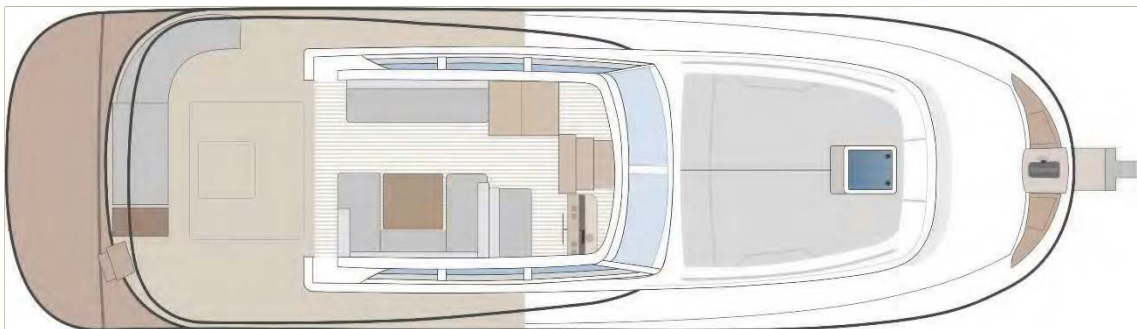

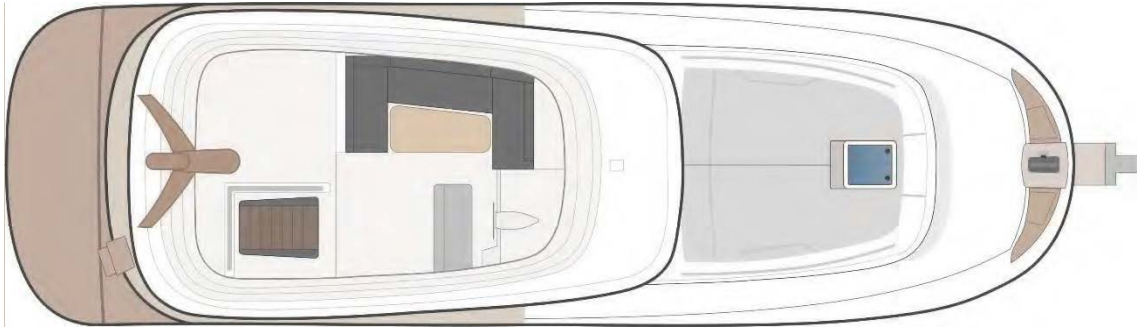

Outside, it stands out for its generously sized teak cockpit, direct access to the bathing platform and wide side walkways that ensure complete safety on deck. This unit is equipped with latest-generation technology, including bow thruster, electronics and premium finishes that ensure a superior navigation experience.

Available for immediate delivery and displayed at our facilities, this is an exclusive opportunity to acquire a new boat with robust construction and timeless design, ready to sail this season with full warranty.
