

DEMO BOAT · SASGA YACHTS

MENORQUÍN 48 FB

REF: SYM48 · OPPORTUNITY · 2026 BOAT

MENORQUÍN 48 FLYBRIDGE · 972.630 € (plus taxes)

Grandeur, avant-garde design and exclusivity in a high-end cruiser

The new Menorquín 48 Flybridge, equipped with two powerful Volvo Penta D6-480 engines (480 hp each), represents the ultimate expression of luxury, space and naval engineering by Sasga Yachts. This shipyard demo unit combines the brand's prestigious classic design with a latest-generation optimised hull, delivering superb seakeeping, outstanding cruising comfort and exceptional autonomy for long passages.

Its majestic flybridge crowns the yacht, offering an elevated helm station with 360-degree visibility, a large sunpad and a lounge area ideal for entertaining above the water. Inside, the boat impresses with volumes usually found on larger yachts: a main saloon flooded with natural

FLYBRIDGE

light, a fully equipped designer galley and a layout with three spacious cabins and two complete bathrooms, where handcrafted finishes in selected woods and high-end premium textiles stand out.

Outside, comfort is absolute thanks to an immense teak-lined aft cockpit, wide and deep side decks that ensure total safety in any sea condition, and an XL bow sunpad. As a demo unit, it features the highest and most technologically advanced equipment available from the shipyard, including bow and stern thrusters, generator, full air conditioning and navigation electronics.

Shipyard demo unit available for immediate delivery. Kept in perfect condition and fully inspected by Sasga's own technicians, this spectacular 48FB is an exceptional opportunity to acquire the shipyard's new benchmark model, with extraordinary equipment, no waiting time and ready to command the sea with maximum distinction.
