MENORQUÍN 34 HT

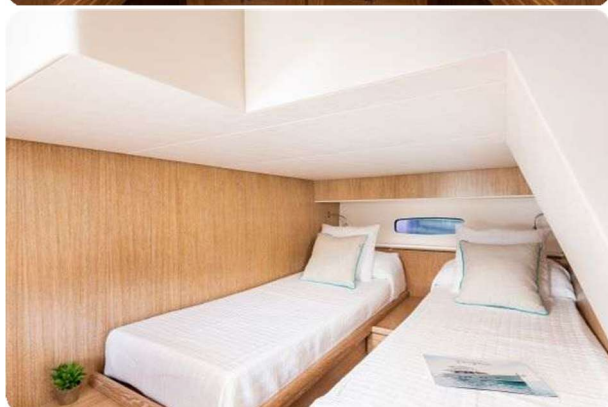

REF: SYM34 · OPPORTUNITY · 2024 BOAT

MENORQUÍN 35 HARD TOP · **€375,000** (Plus taxes)

Elegance, efficiency, and comfort in a compact family cruiser

Fitted with two Volvo Penta D4-270 engines (270 HP each), this is the most compact model in the range: maximum living space, safe navigation, and optimized maintenance. It combines the classic lines of the traditional Menorcan "llauüt" with state-of-the-art marine technology. Interior: bright saloon with deck-level galley, forward owner's cabin, double guest cabin, and full bathroom, finished with fine woods and marine upholstery. Deck: open cockpit under the hardtop, safe side walk-around passages, and forward sundeck, with bow thruster, electric anchor windlass, and latest-generation electronics. Last brand-new unit, still at the shipyard, never used, with full warranty and immediate delivery with no waiting list.
