Menorquín 35 Demo — Elegance, efficiency and compact comfort

A Demo unit straight from the shipyard, in exceptional condition. It combines the classic lines of the traditional Menorcan Ilaüt with advanced marine technology: artisanal fine-wood finishes and outstanding liveability for its length.

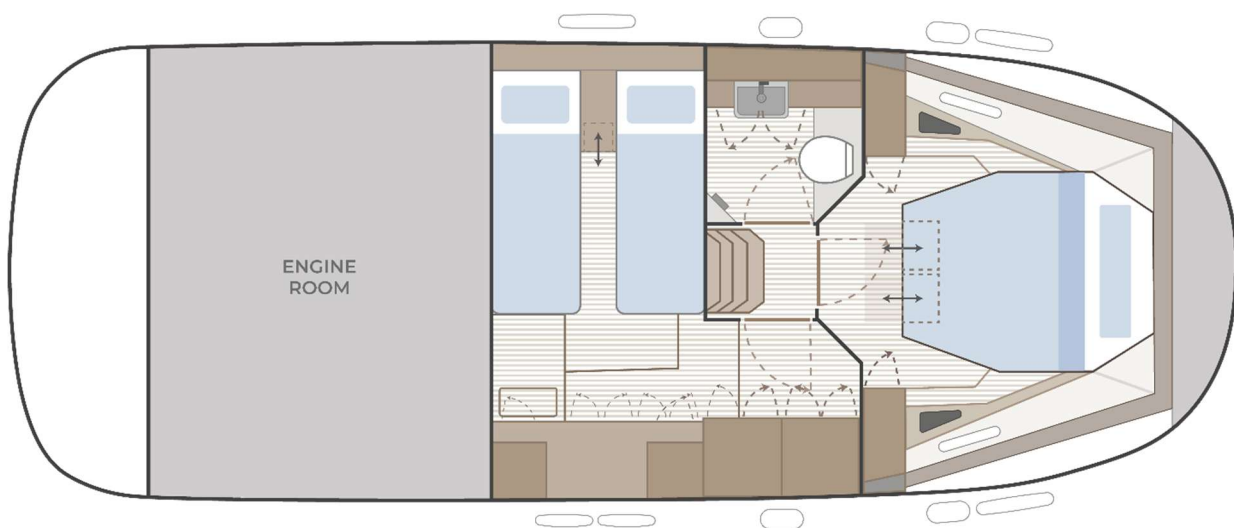

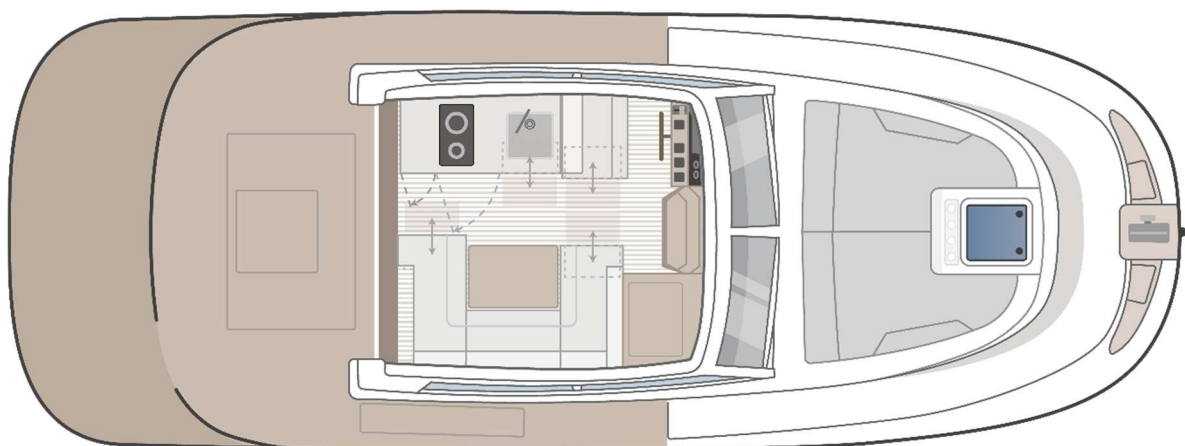

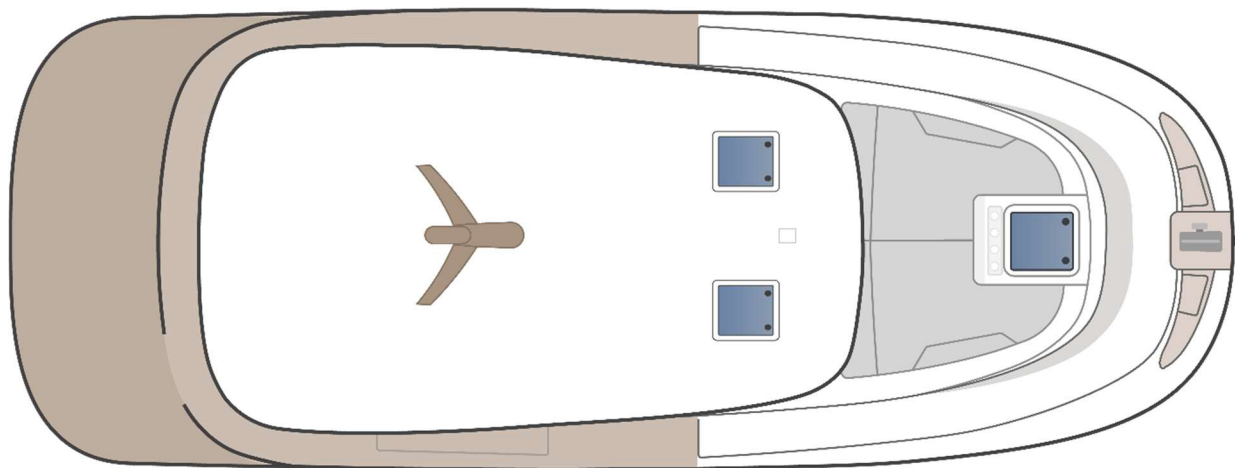

Bright interior with a saloon, galley, owner's cabin and a double guest cabin with a bathroom, finished in fine woods. On deck, a spacious cockpit with teak and solar panels for greater energy autonomy.

As the shipyard's Demo unit, it is in as-new condition, with top-quality maintenance and equipment from day one. Shipyard warranty and immediate availability.
