Solaris Power 40F Open

The Solaris 40 F Open is this Italian shipyard's answer for those seeking a dynamic walkaround without sacrificing comfort. Its 12-metre length translates into an open, versatile deck built for life outdoors on the water, while the clever interior layout makes the most of every inch without compromising liveability. Built with premium materials and the shipyard's own technology, this boat delivers safe, efficient performance in any condition. The available engines unlock sporty performance, backed by a hull that offers great stability and precise handling.
