Menorquin 42FB

The Menorquin 42FB captures the spirit of the range in a flybridge with traditional Menorcan lines, a design with its own signature and on-the-water performance to match its semi-displacement hull. Its walkaround deck gives safe access to the bow, while the aft cockpit and the spacious flybridge — with a second helm station and 360° views — create two perfect spaces to enjoy the outdoors. Inside, the saloon and galley form one bright, open-plan space designed for life on board.

This unit has always been maintained by the official dealer, resulting in an exceptional state of preservation: ready to sail from day one.
